

State Cooperative Contract for Vehicle Rental - Nationwide State Term Contract – 374

The State, through the OMB Procurement Office, is participating in the Nationwide Vehicle Rental agreement established by the State of Oregon and National Association of State Procurement Officials (NASPO), which makes available a cooperative contract for out-of-state vehicle rentals by state employees traveling on official state business.

State agencies must use State Fleet vehicles for travel within state or originating within state. Agencies must obtain expressed permission from the State Fleet Director to use rental vehicles for in-state travel (reference [N.D.C.C. § 24-02-03.3](#)). The vehicle rental companies are to be used if:

- Approval for in-state vehicle rental is granted by the State Fleet Director
- Travel out-of-state commercially requires a vehicle rental at that destination

The rental contracts were awarded to two national vehicle rental providers: **1)** Enterprise Rent-A-Car & National Car Rental and **2)** Hertz Corporation. Vehicles rented through these contacts have discounted rental rates, as well as full coverage damage waiver with \$0 deductible and liability coverage up to \$1 million without additional fees or paperwork.

- These coverage terms are not valid for rentals outside of the United States and agencies should purchase the additional equivalent coverage from the rental company.
- **Pre-payment** is not allowed under these contracts. If your rental reservations includes pre-payment, it is **not** under the State Contract. Start a reservation and/or contract the rental company for assistance.

***NOTE:** Agencies that have established accounts with Enterprise authorizing direct billing will see the following when finalizing online reservations: “Billing – I am authorized for billing privileges and am choosing to bill ST OF NORTH DAKOTA – NASPO for the rental.” Select “YES” and you will be required to enter the appropriate billing information. If “NO” is selected, Enterprise holds the reservation with the agency’s intent to pay with either a P-card or personal credit card at the time of pickup.

If there is any type of damage done to a State Fleet, leased, or rental vehicle then you **MUST** submit a motor vehicle case report to the Risk Management Division. Report all incidents through Risk Management’s online [Incident Reporting System](#).
